

mOHiKOnTOK

Sound Lab

Bronx's premier recording studio, rehearsal space, and audio engineering facility.
State-of-the-art production rooms equipped for tracking, mixing, mastering, global distribution,
and premium sound rentals.

OUR STUDIO

State-of-the-Art Recording & *Audio Services*

Mohikontok Sound Lab is a professional recording studio, rehearsal space, and audio production facility located in the Bronx, NY. We offer full-service sound solutions—ranging from vocal and instrument tracking, mixing, and mastering, to sound equipment rental for private events.

Directed by industry professionals with over 30 years of experience in composition, songwriting, and sound engineering, we help independent musicians, bands, podcasters, and content creators bring their acoustic ideas to life with high-resolution clarity. We also specialize in global music distribution, registering ISRC/UPC codes to publish your tracks worldwide.

THE SOUND LAB SPACE

Where Lyrical Ideas Find *Their Acoustic Voice*

Our New York facility is a fully optimized creative environment tailored for rehearsals, vocals tracking, instrumental sessions, and mixing. Spanned with advanced acoustic treatment and high-end instrument monitors, we offer rental services, DJ setups, and audio archiving capabilities.

- Pro Mixing Console (Yamaha MG12XUK)
- Vevor Cabinets/Amps
- Fully Acoustic-treated space
- High-End Mics, Guitars & Drums Kit Setup
